Overview

A high-end sailing yacht with an innovative concept for cruising in Corsica. Set out to discover the Corsican coastline aboard Baraka, a Sense 55 with a bold design. This 17.20-metre monohull offers a unique layout concept, designed like a contemporary floating home. An interior inspired by luxury hotels: with 3 double cabins and 3 bathrooms, Baraka offers high-end comfort for up to 7 people. The convertible saloon and open-plan galley make it easy to share warm moments together. An exceptional exterior: the innovative architecture of the Sense 55 allows single-level circulation between the saloon and the XXL cockpit, encouraging true outdoor living. At the bow, the clear deck and sunbathing mattresses invite you to relax. At the stern, the wide...
