Resume

An exceptional catamaran for exploring the islands of Guadeloupe, combining comfort, space and performance

BULA is a latest-generation Lagoon 46, designed for sailors looking for a perfect balance between sailing pleasure and on-board comfort. With its 4 spacious double cabins, 4 bathrooms, a convertible saloon and convertible peaks, this catamaran can accommodate up to 12 people for an elegant cruise. Treat yourself to an exceptional cruise aboard BULA, a Lagoon 46 catamaran for charter in Guadeloupe. Modern, spacious and ultra-comfortable, it combines sailing performance and refined on-board living to explore the Caribbean archipelago in complete freedom.

Modern design and refined ergonomics

Its VPLP design incorporates generous exterior spaces: forward and aft cockpit, flybridge with central helm station for excellent visibility, and retractable aft platform for the tender and swimming. The interior is bright, sober and refined, with fluid circulation and a natural connection between the saloon and the exterior. The Lagoon 46 BULA is a charter catamaran departing from Guadeloupe, designed for sailors looking for a high-end stay on the water.

High-performance, seaworthy and easy to maneuver

The set-back rigging ensures better weight distribution and improved performance under sail. The optimized sail plan (full-batten mainsail, genoa, and Incidence sails) makes it an efficient catamaran, even in light airs. The well-designed controls make maneuvering simple, even with a short crew.

Ideal for exploring the Antilles

Sail the heart of the Antilles in style: BULA awaits you for an unforgettable cruise departing from Guadeloupe. Thanks to its capacity, its comfort both at sea and at anchor, and its increased autonomy (solar panels, watermaker, large volume of water and fuel), BULA is perfect for exploring the Guadeloupe archipelago: Deshaies, Marie-Galante, Les Saintes or even the Cousteau reserve.
