## Resume

A modern, elegant catamaran perfectly suited to cruising in the warm waters of the Antilles

Experience an unforgettable cruise in the West Indies aboard PETITE TERRE, a Lagoon 42 for charter departing from Guadeloupe, designed to harmoniously combine comfort, performance and space on board. The Lagoon 42 "Petite Terre" is a benchmark model in its category. With its fluid silhouette, its set-back mast and its living space designed for conviviality, it embodies the new generation of Lagoon catamarans. Perfect for exploring the wonders of Guadeloupe and its surrounding islands, it combines performance, stability and comfort on board.

An interior bathed in light

The latest addition to a successful line, PETITE TERRE is a 2024 Lagoon 42 catamaran, available for charter in Guadeloupe. Ideal for 8 to 10 people, it offers an elegant layout, large living spaces, excellent stability under sail and simplified maneuverability. Whether you are going with family, friends or with a skipper, this model adapts to all styles of cruising through the pearls of the Caribbean archipelago. This catamaran has 4 double cabins, 4 bathrooms, 2 convertible forepeaks and a transformable saloon, allowing up to 10 beds. Each cabin is designed as a private cocoon, with particular attention paid to the finishes and natural light.

The U-shaped saloon and galley open wide to the exterior through a large sliding glass door, creating a unique living space between the cockpit and the interior. The materials chosen by Nauta Design bring a touch of softness and elegance.

Easy and pleasant navigation

The modern rigging with self-tacking genoa, full-batten mainsail, and set-back mast offer great efficiency under sail, while ensuring simple maneuvers even with a reduced crew. Its reassuring seaworthiness and good passage at sea make it an ideal choice for cruising in the trade winds.

Destination Guadeloupe

From the SAILOÉ Caraïbes base, set off to explore the islands of Les Saintes, Marie-Galante, and the Cousteau reserve. The natural environment of the Caribbean archipelago is an ideal playground for the Lagoon 42, with its turquoise anchorages, wild coves, and Creole atmosphere.
