Skipper word

"The Lagoon 42 remains a safe bet. Numerobis is a boat that ticks all the boxes: space, comfort, safety, and sailing pleasure. Perfect for a relaxing cruise around Corsica."

Resume

Space, performance and pleasure on board a best-selling cruise in Corsica

Numerobis is a latest-generation Lagoon 42, the flagship model from the Lagoon shipyard. Elegant, spacious, and perfectly equipped, it's ideal for a successful cruise around the Corsican coast, whether you're with family, friends, or a couple.

Comfort and amenities

Numerobis offers 4 double cabins, all equipped with their own private bathroom, a convertible saloon, and two additional berths at the points. The aft cabins, equipped with "island beds", offer optimal comfort, while the large bay windows bring in natural light and panoramic views of the sea.

The saloon is welcoming and functional, with a fully equipped galley area (stove, oven, freezer, fridge). The teak cockpit, with its XXL skirts, allows you to fully enjoy moments of conviviality outside.

Performance and navigation

With its set-back rigging, self-tacking genoa and twin 57hp Yanmar engines, the Lagoon 42 offers smooth, stable and high-performance sailing, while remaining very easy to handle. The re-centering of the weights limits pitching, improving stability both under sail and at anchor.

Equipment and autonomy

Numerobis is equipped for independent cruising:

- Solar panels
- 12/220V converter
- 9hp motorized dinghy
- Numerous storage spaces and B&G electronic equipment

Summary

Numerobis – Lagoon 42 (2024) is a fully equipped, spacious, and high-performance catamaran, designed for comfortable cruising in Corsica. A model appreciated by boaters for its ease of use and elegance at sea.
