Resume

A compact and elegant sailboat for an authentic cruise in Corsica

The Dufour 360 is a modern monohull sailboat, perfectly suited to coastal cruising in the Mediterranean. Ideal for exploring the wild coves of Corsica or cruising to the shores of northern Sardinia, Dzama combines performance, maneuverability, and comfort in a size accessible to all.

On board

With its three double cabins and convertible saloon, Dzama can accommodate up to eight people in a spacious and spacious environment. The interior design, bright and welcoming thanks to its woodwork and large openings, creates a welcoming and functional atmosphere.

The teak cockpit, spacious for a sailboat of this size, offers a beautiful outdoor living space. A folding table, comfortable benches, and a swim ladder make it easy to relax at anchor. The aft deck provides easy access to the swimming area or the tender.

In navigation

Designed by Umberto Felci, the Dufour 360 is renowned for its stability and maneuverability, even with a reduced crew. Its balanced hull, twin steering wheels and sail plan of almost $60~\text{m}^2$ offer smooth and pleasant navigation, adapted to the wind conditions of the Mediterranean.

Its discreet but efficient 19hp Volvo Penta engine provides propulsion when entering port or sailing without wind. This sailboat can easily slip into the most remote ports and coves of the Isle of Beauty.
