Mane&Nocte, the Lagoon Seventy 7, marks a major milestone for Lagoon in the realm of luxury and elegance. Lagoon has surrounded itself with the greatest names in the industry for the design of its flagship vessel: VPLP, Patrick le Quément, and Nauta Design. Together, they have created a catamaran where harmony reigns between the interior and exterior living spaces, with no compromises, and where innovation is dedicated to comfort and life at sea.

The owners, deeply involved in this project, have given birth to a magnificent vessel that, according to everyone's opinion, is the most beautiful of the Seventy 7 to have emerged from the CNB-LAGOON shipyards.

Spacious and comfortable, it will be a delight during your vacation in the Mediterranean or the Caribbean.

It is equipped with everything you need, and even more! For scuba diving enthusiasts, it features a diving compressor.
