"Take it Easy perfectly combines comfort, autonomy, and the pleasure of sailing. Easy to maneuver and pleasant to live with, it will accompany you without compromise through the most beautiful Corsican anchorages."

Resume

Comfort, Autonomy, and Performance for a Responsible Cruise in Corsica

Take it Easy is a modern Lagoon 42 perfectly suited for a cruise along the coast of Corsica.

It combines comfort, autonomy, and performance, offering a pleasant and eco-friendly sailing experience thanks to its solar panels and watermaker.

Comfort and Layout

This catamaran features 4 double cabins, 4 bathrooms, and can comfortably accommodate up to 10 guests with two additional berths in the salon.

The cabins are spacious, well-ventilated, and equipped with storage, ideal for relaxing after a day of exploration.

The teak cockpit, oversized aft platforms, bright salon, and well-designed galley create a functional and welcoming living space, perfect for sharing meals or enjoying the stunning Corsican scenery at anchor.

Performance and Handling

The Lagoon 42 is known for its easy handling, even with a small crew.

With Incidences sails, a balanced rig, and two Yanmar 57 hp engines, Take it Easy provides smooth and stable sailing, suitable for both beginner and experienced sailors.

Autonomy and Sustainability

Designed for extended cruises, Take it Easy is equipped with:

Solar panels Watermaker Power converter Motorized dinghy Complete B&G electronics

These features provide energy and water independence, reducing port visits and minimizing environmental impact.

Summary

Take it Easy – Lagoon 42 (2026) is a modern, spacious, and self-sufficient catamaran, ideal for a comfortable and responsible cruise in Corsica.

Its functional layout and eco-friendly equipment make it an excellent choice for sailors looking to enjoy the sea while respecting the marine environment.
