7 DAY ITINERARY IN
CORSICA

DAY 1: START

Port of Bonifacio

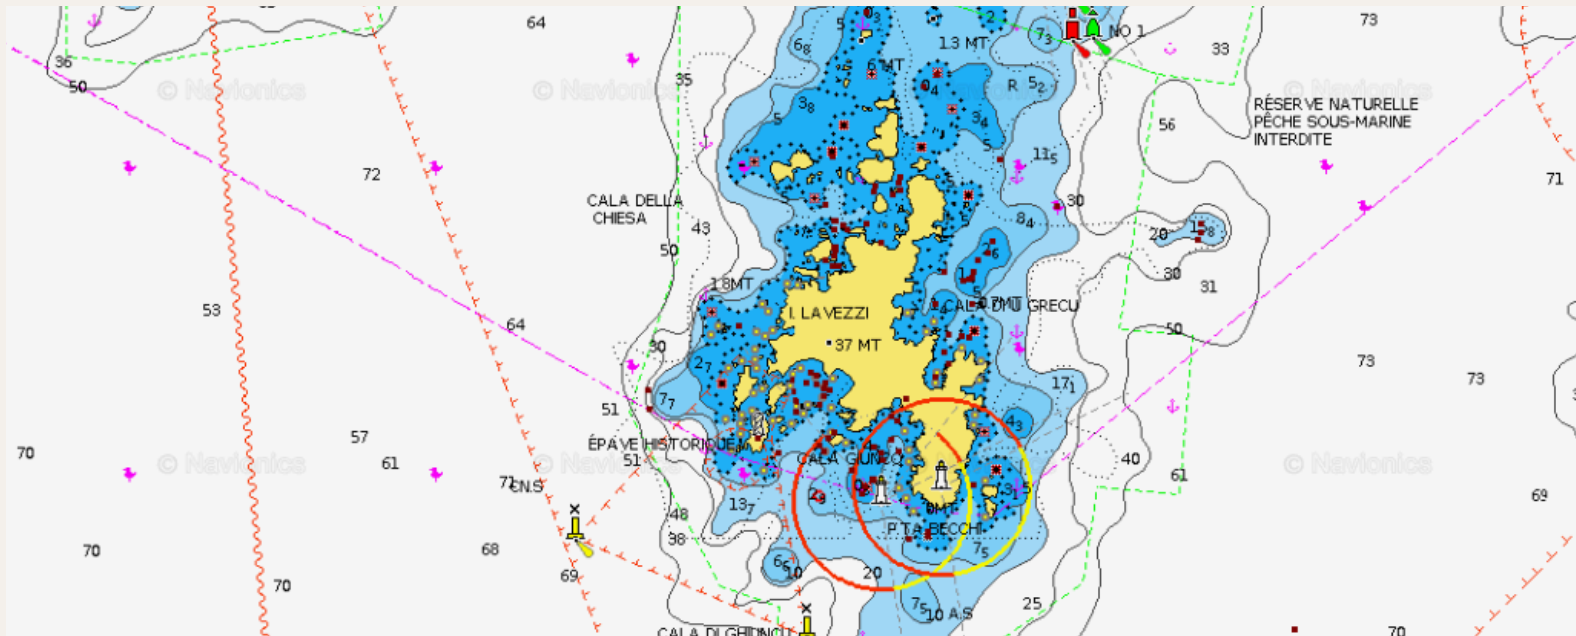

Chartering a catamaran in Bonifacio gives you the chance to discover this beautiful region from the sea, enjoying its crystal-clear waters and stunning coastal scenery.

The harbour itself offers modern facilities for yachtsmen, with well-maintained pontoons, mooring and refuelling services. You'll also find a range of amenities such as restaurants, shops and sanitary facilities within easy reach of the harbour, making your stay even easier.

DAY 2: Ile Lavezzi

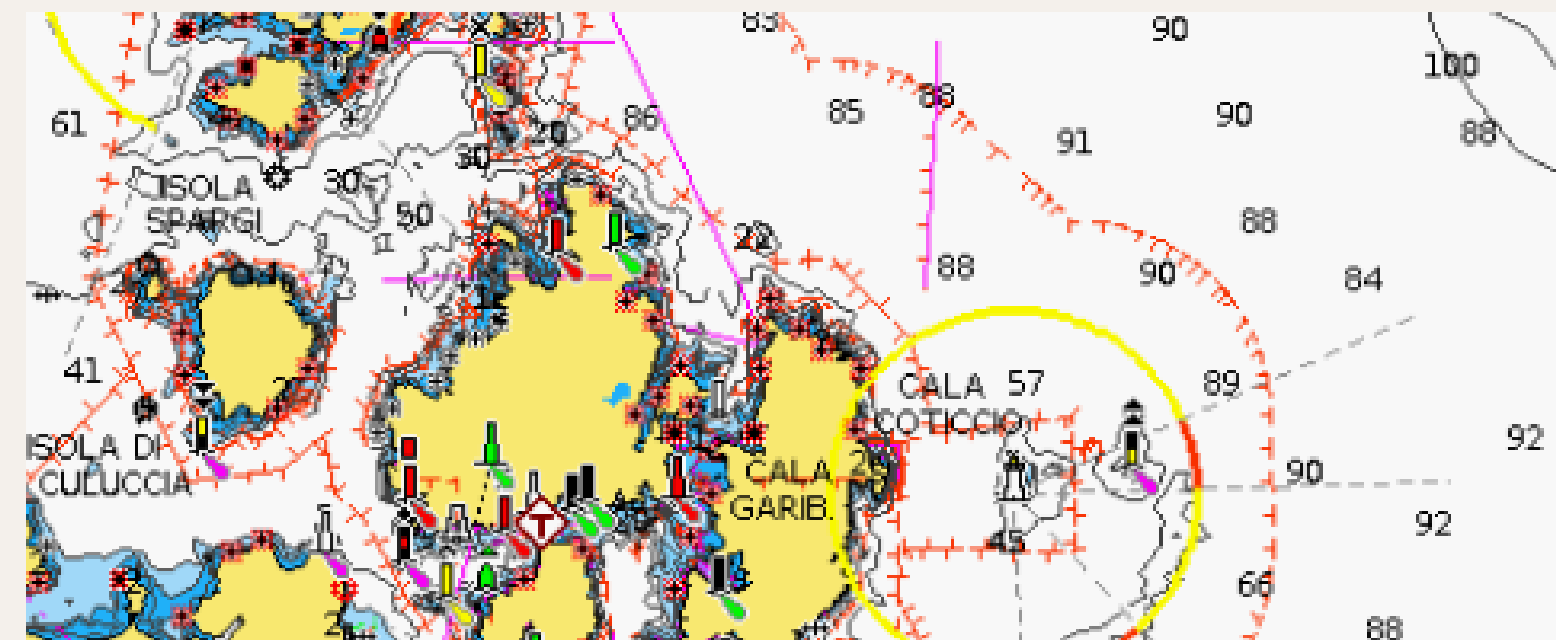

The archipelago of the Lavezzi Islands is made up of several islets and rocks, including the main island, the Isle of Lavezzi. This island is renowned for its wild, unspoilt landscapes and exceptional marine biodiversity.

The waters around the Lavezzi Islands are ideal for snorkelling and scuba diving, offering a unique opportunity to explore a seabed rich in marine life, including colourful fish, coral and historic shipwrecks. The island of Lavezzi is uninhabited

DAY 3: SARDINIA THE MADDALENA ARCHIPELAGO

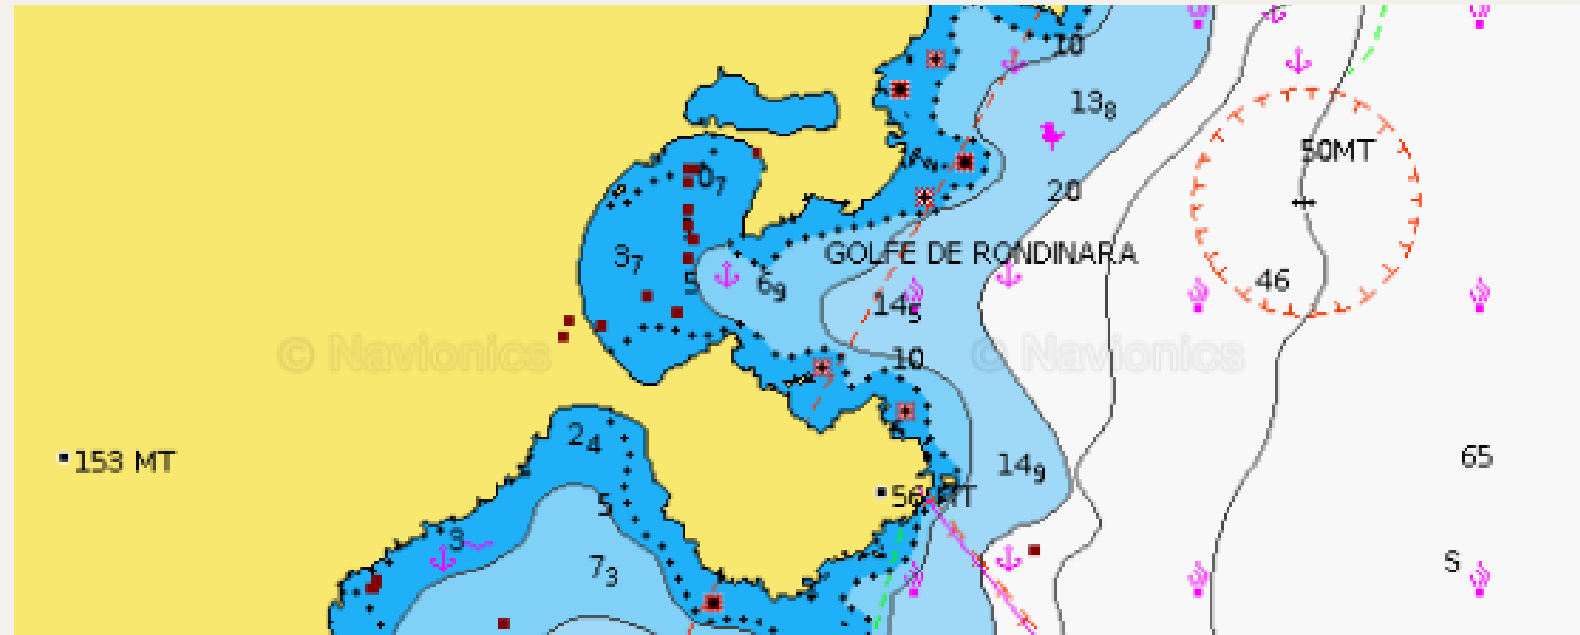

The archipelago is made up of several main islands, including La Maddalena, which is the largest and most developed in terms of tourist infrastructure. Other important islands include Caprera, Budelli, Razzoli, Santa Maria and Spargi, as well as numerous smaller islets.

La Maddalena is the main inhabited island, home to a charming harbour town of the same name, where you'll find restaurants, shops and tourist attractions. The island is also famous for its historical remains, including military fortifications dating back to the Napoleonic era.

DAY 4: CORSICA GULF OF RONDINARA

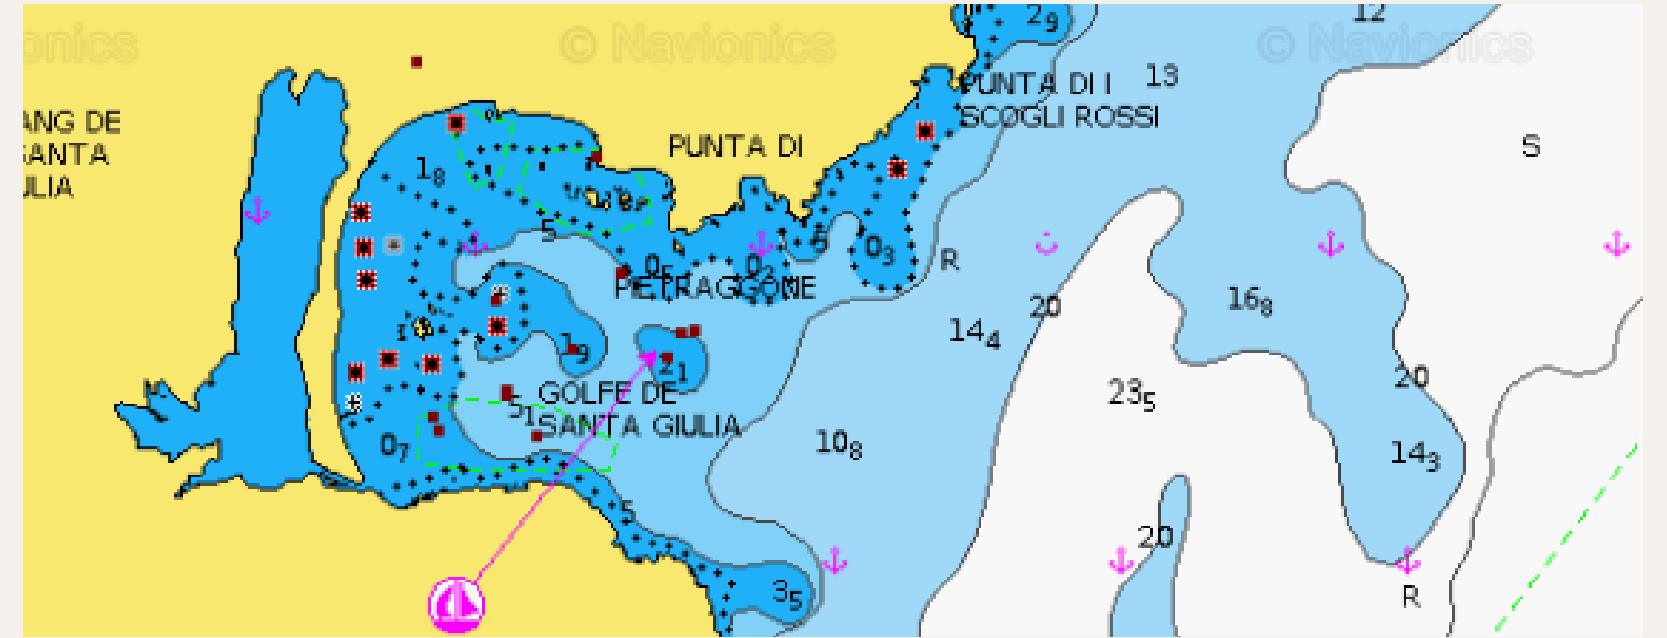

The Gulf of Rondinara is a magnificent bay on the east coast of Corsica, between Porto-Vecchio and Bonifacio. Considered one of the most beautiful beaches in Corsica and even the Mediterranean, the Gulf of Rondinara is renowned for its crystal-clear waters, fine sand and unspoilt natural setting.

Rondinara beach is nestled in a crescent-shaped bay, surrounded by hills covered in Mediterranean scrub, giving it a peaceful, picturesque atmosphere.

DAY 5: GULF OF SANTA GIULA

The Gulf of Santa Giulia is another gem on Corsica's south-east coast, located near Porto-Vecchio. It's a magnificent crescent-shaped bay, framed by hills covered in Mediterranean scrub and bordered by crystal-clear turquoise waters.

Santa Giulia beach is renowned for its fine white sand and shallow waters, making it ideal for families with children. The beach is also popular for water sports such as paddle boarding, kayaking and snorkelling due to its clear, calm waters.

14 DAYS ITINERARY IN THE SEYCHELLES

DAY 1: CORSE

Start of Bonifacio

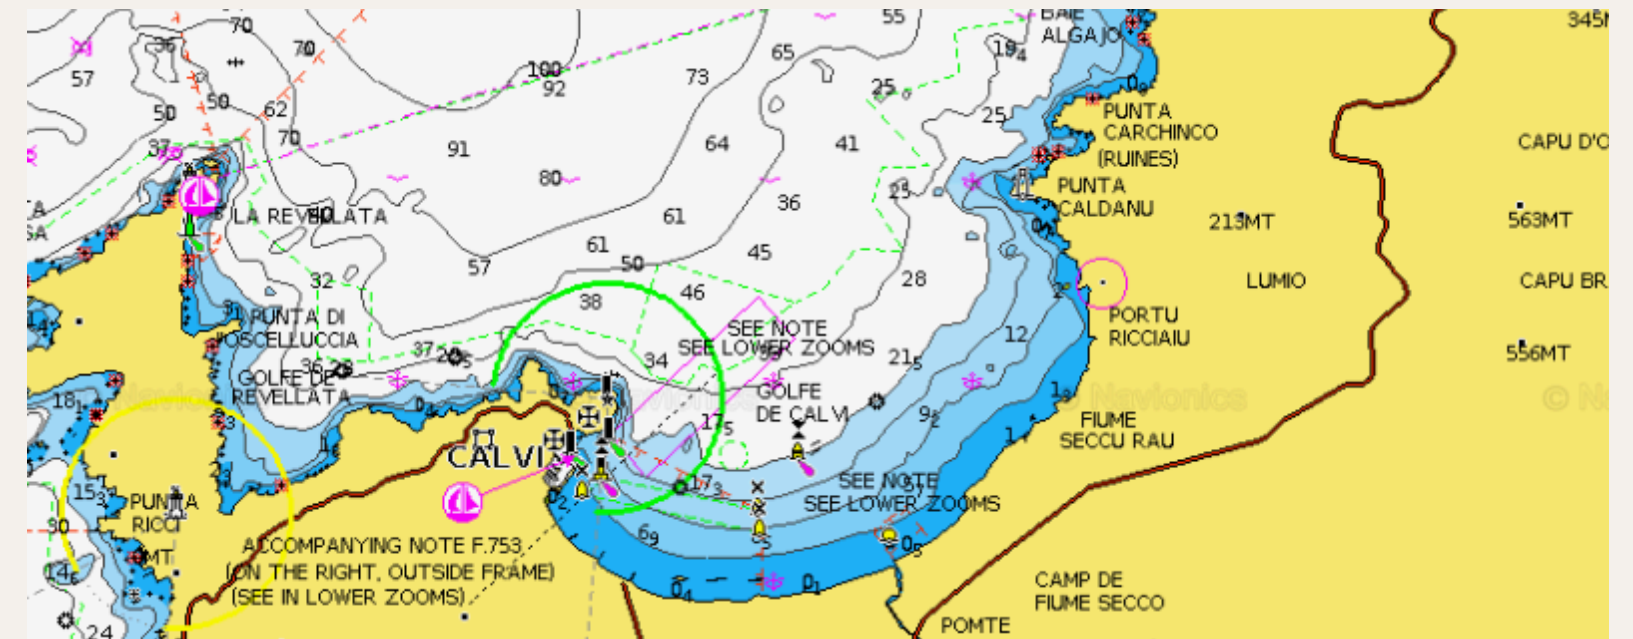

Chartering a catamaran in Bonifacio gives you the chance to discover this beautiful region from the sea, enjoying its crystal-clear waters and stunning coastal scenery.

The harbour itself offers modern facilities for yachtsmen, with well-maintained pontoons, mooring and refuelling services. You'll also find a range of amenities such as restaurants, shops and sanitary facilities within easy reach of the harbour, making your stay even easier.

DAY 2 -3: Calvi

Calvi is a charming coastal town on the north-west coast of Corsica, France. It is renowned for its natural beauty, rich historical heritage and vibrant cultural life.

At the heart of Calvi is its famous citadel, an ancient Genoese fortress perched on a hill overlooking the Mediterranean Sea. The citadel is home to narrow streets lined with stone houses, picturesque shops, restaurants and cafés offering breathtaking views over the bay of Calvi. It also boasts the Cathedral of Saint-Jean-Baptiste, a magnificent 13th-century religious edifice that dominates the town.

DAY 3 - 4 : SCANDOLA RESERVE

La réserve naturelle de Scandola est un site naturel exceptionnel situé sur la côte ouest de la Corse, en France. Classée au patrimoine mondial de l'UNESCO depuis 1983, cette réserve est renommée pour ses paysages spectaculaires, sa biodiversité unique et sa géologie remarquable.

En raison de sa valeur écologique et de sa fragilité, la réserve de Scandola est soumise à des restrictions strictes pour préserver son écosystème unique. Les visiteurs sont encouragés à respecter les règles et les directives locales pour minimiser leur impact sur cet environnement préservé et protégé.

Ces formations rocheuses impressionnantes, sculptées par l'érosion et le temps, créent un paysage côtier accidenté et magnifique.

DAY 5 - 6 : GULF OF PORTO

The Gulf of Porto is famous for its spectacular scenery, including steep red cliffs, secluded coves, sea caves and unique rock formations. The reddish limestone cliffs that line the gulf provide a striking contrast to the turquoise waters of the Mediterranean, creating a breathtaking landscape.

In addition to its remarkable natural landscape, the Gulf of Porto is also home to several picturesque villages, including Porto itself, which offers a warm and welcoming atmosphere, as well as restaurants serving delicious local cuisine.

DAY 8-9: CALANQUES OF PIANA

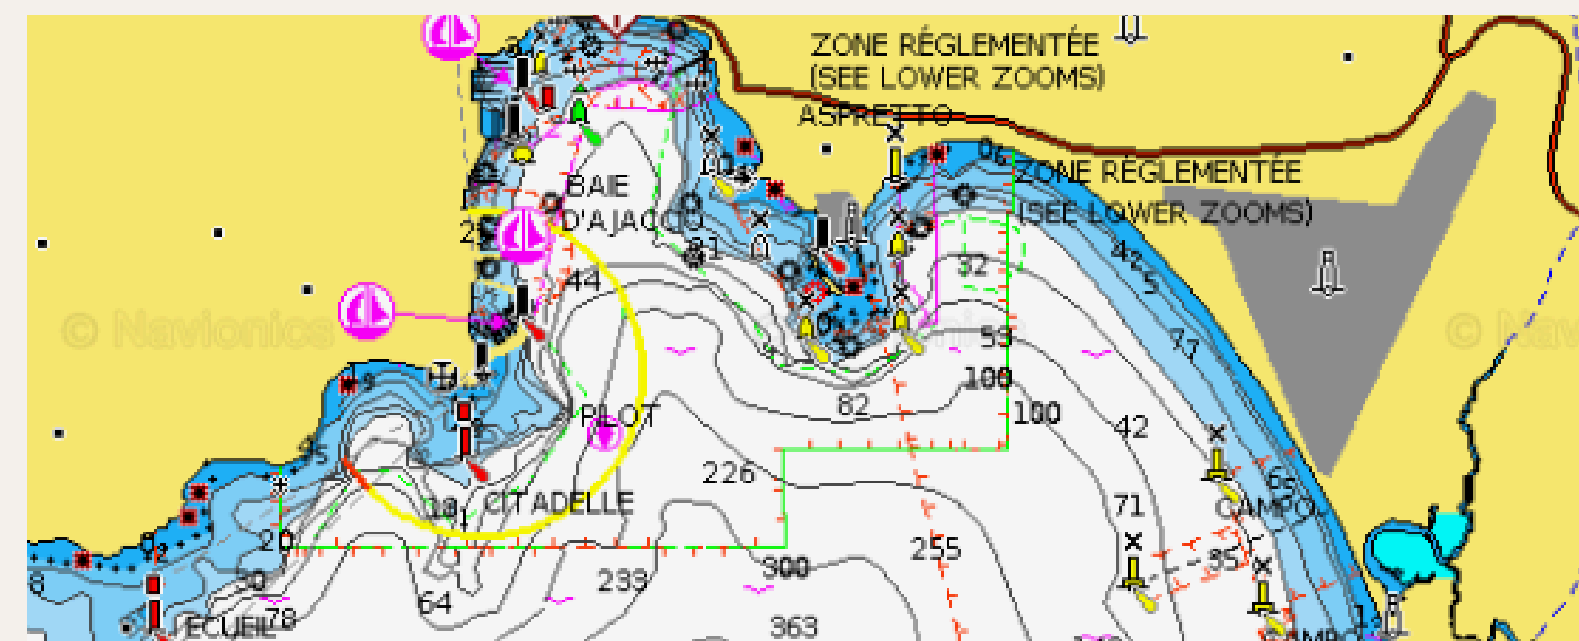

The Calanques de Piana are a group of spectacular rock formations located on the west coast of Corsica, between Porto and Ajaccio. Listed as a UNESCO World Heritage Site since 1983, these calanques offer a unique and exceptional natural landscape, characterised by reddish granite cliffs sculpted by erosion and time

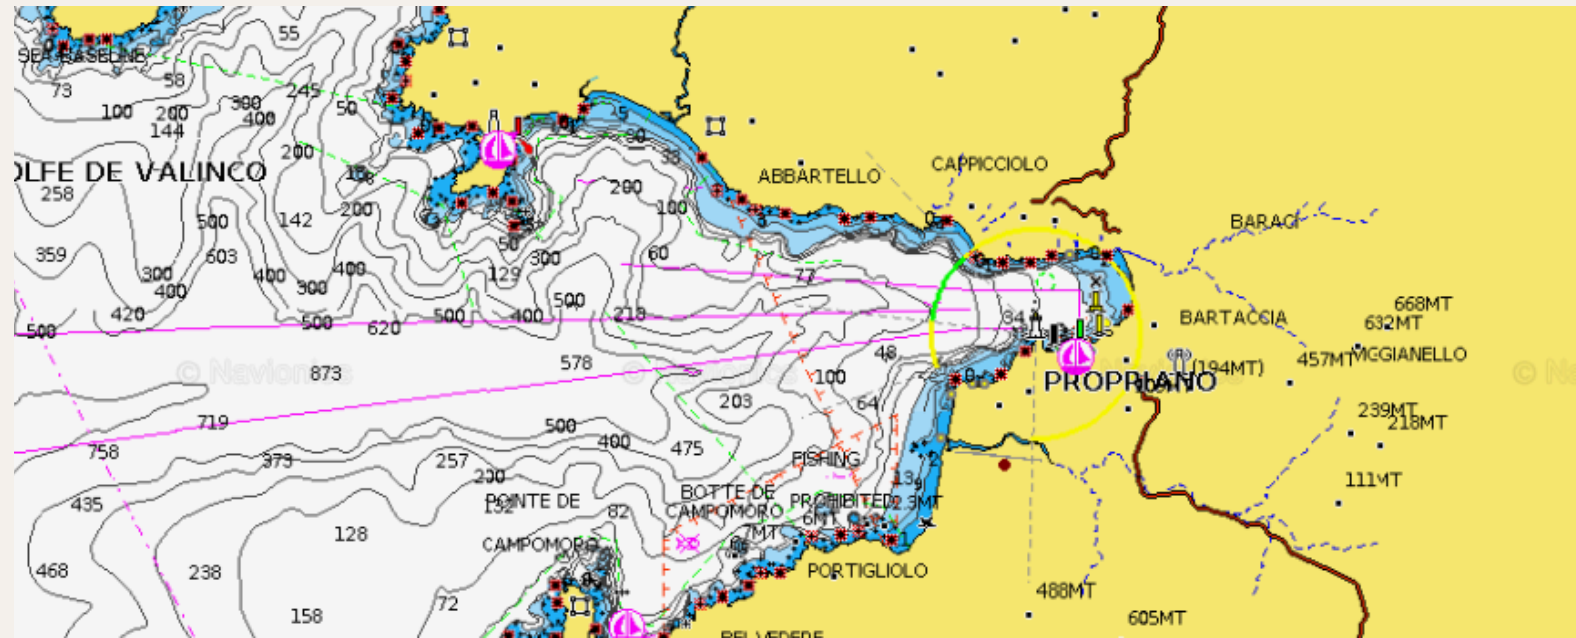

DAY 11-12: AJACCIO

Head for Ajaccio, the imperial capital of Corsica. Discover this city steeped in history, with its pedestrianised streets, Fesch museum and cathedral.

Escape to the Sanguinaires Islands
Located around 15 kilometres west of Ajaccio, these reddish rocky islets offer a magnificent contrast with the deep blue of the sea. A boat trip is a must to admire this unique landscape, which is also ideal for diving and hiking

DAY 13 - 14: Propriano

Propriano offers an enticing blend of natural beauty, history and Corsican culture.

The quayside is lined with restaurants, cafés and shops, offering visitors the chance to sample fresh Corsican specialities, enjoy a coffee on the terrace or shop for local produce.

Propriano also boasts several beautiful beaches where visitors can relax in the sun, swim in the crystal-clear waters or take part in water sports such as windsurfing, kayaking and jet-skiing. Among the most popular beaches are Lido beach and Baracci beach.
